

Dates for Your Diaries 2008

This year's show will take place on the 19th, 20th and 21st June, with the dress rehearsal on Sunday 15th June. These are the really important dates!

Also, there are workshop sessions and a feast before Easter, and a series of rehearsals leading up to the show. You will not be needed for every rehearsal – we will draw up a schedule, so that you can see when you are needed.
